Assigning a SAFARI Montage Video to Teams

1. Login to SAFARI Montage from Classlink.
2. Click Search from Dashboard.
3. Enter a keyword. Under the Videos header, click the SAFARI Montage tab or the Web Streaming tab to locate a video. Web Streaming shows videos that are hosted on YouTube.

4. Once you have previewed a video and are ready to assign it to students click the Teams button.

5. On the next screen, click your class. Then select to Make an Assignment.
